Preamble

This Agreement entered into this 1st day of July 2015 between the Hamilton Wenham Regional School District School Committee (hereinafter referred to as the "Committee") and the Hamilton Wenham Office Personnel/MTA (hereinafter referred to as the "Unit").

The Hamilton Wenham Regional School District recognizes that the office staff serves a vital role in the educational process. These positions support the faculty, administration, staff, and other school-related organizations in carrying out the educational goals of the school district.

Benefits

Employees who are appointed to Office Personnel positions that are less than a full-time equivalent shall accrue benefits on a pro-rata basis.

Article I: Recognition

The Committee recognizes the Unit, pursuant to the provisions of Chapter 150E of the General Laws, as the exclusive representative for the purposes of collective bargaining with respect to wages or salaries, hours and other conditions of employment for all full-time and part-time Secretaries and Accounts Payable Clerks, excluding the Superintendent's Secretary and all other managerial and confidential employees.

Article II: Payroll Deductions

2.1. Association Dues

The Committee agrees to deduct Association dues from the salaries of office staff who authorize said deductions.

2.1.1. No one shall be required to become or remain a member of the Association as a condition of employment in the Hamilton-Wenham Regional School District.

It is the express intent of the parties that the provisions of this Article be and subject to the following conditions:

2.1.2. The sum which represents such yearly Association dues shall annually be certified to the Committee no later than the first work day of the school year in which the dues are to be deducted as constituting such by the Treasurer of the Association. No change may be made in the amount of the annual dues to be deducted subsequent to this date.

2.1.3. The employee's authorization shall be in writing in the form set forth below and shall be valid until withdrawn. New authorizations must be submitted to the Superintendent by the second Friday of the school year in order to be effective for that school year. Withdrawal of authorization may be made by an employee upon at least sixty (60) days' notice in writing of such withdrawal of authorization to the Committee (with a copy of said notice to the Association)

except that a notice of withdrawal of authorization filed before the second Friday of the school year shall cause no payroll deductions to be made from the employee's salary during the school year.

2.1.4. All office staff with valid authorization on the second Friday of the school year are obligated for the entire amount of the annual Association dues. If an employee leaves the system or withdraws this authorization before the entire amount of the annual dues has been deducted, the balance due will be deducted from the last paycheck prior to the effective day of the employee leaving the system or the withdrawal of authorization, as the case may be.

2.1.5. Deductions shall be made from either ten (10) or twenty (20) consecutive payrolls, at the employee's election starting with the first payroll in October. Deductions provided for above shall be remitted to the Treasurer of the Association no later than three (3) weeks following the payroll period in which the deductions are made. Prior to the first payroll in October, the Committee shall furnish the Treasurer of the Association a listing of the office staff from whose earnings deductions will be made.

2.1.6. The Association agrees that it will indemnify and hold the Committee harmless from any and all liability, claim, responsibility, damage, or suit which may arise out of any action taken by the Committee in accordance with the terms of this article or in reliance upon the authorization described herein, in an amount not to exceed the sum received by the Association on account of the deductions made from the earnings of such employee.

2.1.7. The provisions of this Article shall be subject to the requirements of Section 17C of Chapter 180 of the General Laws including the requirement that the District Treasurer shall be satisfied by such evidence as he/she may require that the Treasurer of the Association has given to the Association a bond, in a form approved by the Commissioner of Corporation of Taxation, for the faithful performance of his/her duties, in a sum and with such surety or sureties as are satisfactory to the District Treasurer.

2.2. Other Voluntary Payroll Deductions

The Committee agrees that after receipt of written authorization from and prior to revocation or expiration thereof, it will deduct from the salary of the employee executing such authorization, the amounts due for tax sheltered annuities, and/or group life and health insurance. Said authorization shall be in a form made available by the Superintendent.

2.3. Agency Service Fee

2.3.1. A member of the bargaining unit who is not a member of the Association shall be required to pay an agency fee to the Association. The fee shall be set pursuant to law and the regulations of the Massachusetts State Labor Relations Commission, and the Association shall establish a rebate procedure in accordance with the law and such regulations. The fee shall be due on or after the thirteenth (13) day following the beginning of employment or the effective date of this Agreement, whichever is later. If a member of the bargaining unit has a conscientious objection to paying the fee, the employee may instead pay an amount, equal to the fee, to the Hamilton-Wenham Regional Association Scholarship Fund, to be granted to graduates of the Regional High School in accordance with the terms of the fund. If a member of the bargaining unit does not pay the fee or scholarship fund contribution or challenge the fee

before the Massachusetts State Labor Relations Commission, the Association may institute court action against the employee to collect the fee.

2.3.2. The Committee shall not be responsible in any way for the implementation, collection or enforcement of this fee and the Association agrees to assume responsibility for any legal expenses incurred.

2.3.3. The provisions of Section 2.1.6. and 2.1.7. shall be applicable to all matters pertaining to agency fees.

2.4. Direct Deposit Option

The parties agree to the establishment of a procedure whereby bargaining unit members may directly deposit paychecks in banks which are part of the clearinghouse network in which the District participates.
