978-468-4818 x14 or [tracey@communityhouse.org](mailto:tracey@communityhouse.org)**

## **Program Description**

Students will be engaged in a fun, hands-on learning environment where activities in the arts, science, technology, and recreation are offered along with volunteer opportunities and tutoring support. Programs offered throughout the year include yoga, cooking, photography, martial arts, music and theater arts.

We believe in supporting the whole family through this program and offer special events to bring The Kids Community @ 284 together.
